1. **Ambulance Contract Review:** Select Board Members reviewed the Emergency Medical Services Agreement provided by North Adams Ambulance Service. It was agreed to have Town Counsel review as a next step in the process.

2. Hampshire Power: Chair Wilson reported speaking with Hampshire Power about saving money on electricity charges. Janice Boudreau had looked into the matter, found the contract with Hampshire Power and checked with another company about saving money on the electricity supply charge. She reported that Hampshire Power had the lowest rate and that our contract with them is automatically renewed each year unless we notify them.
3. Inspection of Town Buildings: Chair Wilson said that Town Buildings needed an inspection to determine what needed to be done to assist in the formation of the Capital Improvement Plan for the municipal facilities. Chair Wilson contacted a contractor from Rowe who declined. It was agreed to contact a Contractor for the purpose and make Administrative Clerk aware of any names that might be appropriate so it could be accomplished before it snowed.
4. Policies Presented by Town Accountant; Review and Discuss Town Counsel's Input: Town Counsel reviewed Town Accountant Policies. It was agreed that Administrative Clerk would insert the recommendations that were presented by Town Counsel and would review at next meeting.
5. Hazard Mitigation Plan – Request from FRCOG: Administrative Clerk reported speaking with Police Chief, Highway Superintendent and Emergency Medical Services Coordinator and they agreed to meet with Kimberly McPhee of Franklin Regional Council of Governments (FRCOG) who will prepare a Hazard Mitigation Plan for Rowe as part of a grant that was received for area towns. It requires two meetings one to work on the plan and the second to review and edit. Selectman Quist agreed to serve on the committee. Selectman Quist said Fire Depart. Admin Assistant and Emergency Management Director should be contacted and ask to participate.
6. FC Regional Housing Authority – Community Development Strategy: Administrative Clerk presented a draft Community Development Strategy to the Board for review as part of the Application Process for Housing Rehabilitation 0% interest loans for citizens. It was updated with the assistance of Megan Rhodes at FRCOG. There was discussion about the need to first review the plan and fine tune it, hold a hearing to present the plan and send a letter to all citizens informing them of the potential income based 0% housing loans and what they could be used for. Following review of the letter to citizens, it was agreed to mail out as soon as possible.

New Business

1. Governor's Listening Tour: Chair Wilson reported that she intended to attend a listening session hosted by the Executive Office for Administration and Finance in Springfield seeking public input on regulations affecting municipalities in Springfield on November 24th. She asked members to provide her with any issues they would like to see addressed prior to her attending the meeting.
2. Review Policies for Use of Town Property (Public Purpose Limitation Law): Chair Wilson raised discussion about a recent use of the large white tent that is designated specifically for Town events. She pointed out that there were 3 tents available for private citizen use and that

law, public property should not be used for private purposes. It was agreed to indicate the big white tent is not available to borrow for private groups on the 'Agreement for Borrowing/Using Town Tents'.

It was agreed to work with Detecto Guard since they were already working with other departments.
